This settlement is a travesty of justice. There are loopholes that allow Microsoft to escape from almost every restriction placed on them. There are no punitive measures for their past violations of Anti-Trust laws. This is dispicable and I am thoroughly outraged. You can tell You boss, Mr. Bush, that I do not intend to vote for him in 2004 if this is allowed. Furthermore, I will campaign for and support his opponent, whoever it may be, from the primaries until November 11. As a conservative, I do not wish to do this, but I cannot let our Justice System be tainted, whether it be from the Left or Right.
